Sponsors must pay the standard DOD per diem rate for the area in which the performance is scheduled per member (usually between 12-15) per day. As an example of a typical event, for the team to jump on a Saturday and Sunday in support of a local event, the Team would normally arrive Thursday afternoon, perform a practice jump on Friday, do the event Saturday and Sunday and depart to San Diego on Monday. Thereby the event would be a 4.5 day event. Ground transportation for the Team members is required (2 sedans, 2 minivans, 1 cargo van for NPT; 1 sedan and 1 minivan for air crew). Courtesy or rental cars must have full liability coverage for all NPT members in case of an accident. Per diem costs are payable a minimum of 30 days IN ADVANCE OF EVENT.
